

## BELLEVUE IMPORTS

### *Opening more than just doors*

For over 21 years Bellevue has been supplying the best in designer architectural products from Europe. To date our products have been supplied to countless projects from small renovations, through to apartments, buildings, high-rise office blocks and resorts.

The Bellevue range of designer products conform to all relevant standards such as fire rating for our Olivari Door Handles.

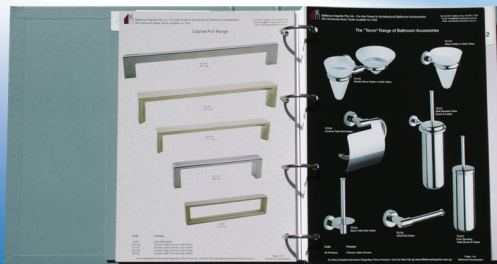

For those architects and designers who appreciate the latest in European design, quality and style, our large product range is an ideal choice. If you would like to receive our 2005 catalogue, please let us know and we will ensure you receive one.

For more information and our complete range of products, visit our web site at [www.bellevueimports.com.au](http://www.bellevueimports.com.au)
