

Olivari by Bellevue – Exceptional Style, Quality & Finish

Bellevue is proud to present our new 2004 co-ordinated range of Stylish & Uniquely designed Door Handles & matching Cabinetware. Suitable for internal or external usage, each item represents the best in Style, Quality & Finish. The New Time & Space is designed by Alessandro Mendini a world renowned designer & manufactured by Olivari of Italy. This combination provides Architects & Interior Designers an opportunity to create something unique & special without compromising on quality and price. It is with pleasure that we now make these items available to the Australian market.
