

Stainless Steel.....

There is nothing quite like it, the feel, the texture and the finish. Bellevue is proud to introduce its new 2003 range of Stainless Steel Door Levers & Entry Pulls. These levers are of exceptional quality and finish, suitable for all doors inland or by the sea. Each of these handles are crafted from the highest quality stainless steel.

Bellevue & Olivari of Italy are proud to introduce the new 2003 Aster & Stilo range of Entry Door Pulls. These Pull Handles are of the highest quality and represent the latest in style, design and finish from Europe. More information about these items can be seen on our web site @ www.bellevueimports.com.au or Ph: 03 9571 5666.
